Reminder

It is finally starting to feel a little bit like spring! At this time of year we tend to begin seeing more and more playground accidents that require a change of clothes. We still have many families who did not send in extra clothes. We strongly recommend that you do so if you haven't already. If your child has an extra change of clothes at school we will be able to handle the cleanup without disrupting your day. If there is no change of clothes we will call you to bring some in the event that one is required.

If you are sending in spare clothes and you notice that it isn't coming out of the school bag please write a note in the communication folder and we will remind your child to bring the clothes into the classroom.

Thank You!
