Popcorn Words

At this time of year, some families begin to notice that their child is struggling to recognize Popcorn Words in their reading but they are able to recognize them in their Popcorn duotangs. A significant piece of beginning reading is being able to read Popcorn Words in a variety of contexts. If you are seeing this with your child we would like to suggest trying some of the activities found on the first page of the Popcorn Words duotangs. You will find some suggestions for different ways to practice Popcorn Words other than always using the duotangs. If you have any questions, please don't hesitate to contact us.

Thank You!

We enjoyed meeting with some of our Kindergarten families last week. Thank you for taking the time to join us!
