

This Week's Homework

- Sound Book – Please complete the letter F
- Popcorn – Please practice your child's current bowl of popcorn
- Reading Bags – New homework item. Please see explanation in the communication folder.

Special note regarding homework:

As you can see we have added another component to the homework. This is a very transitional time for our K students as they begin to fit all of the puzzle pieces of their learning together to become readers and writers. We consider family time to be a very important part of your child's learning. Those opportunities to talk, play and share with you are invaluable. Therefore, we would like to make a suggestion regarding our homework.

The Song Book will now be removed from homework. I will post the poem on the class website every week, if you would like to continue using it as extra homework. We didn't feel that it would be prudent to remove the Sound Book component at this time. We have 8 more weeks of Sound Book left before we have completed the letters of the alphabet. After this point the homework will only include Popcorn and Reading Bags.

We acknowledge and understand that families are very busy! Therefore, if you feel that these 3 components of homework are too much we would like to suggest that you spend your homework time on the Popcorn Words and on the Reading Bags. We will continue with the letter of the week at school. We will continue to send all three homework items home each week and we would encourage you to make the choice that best suits your family. Please remember, we don't want homework to be a point of frustration for you or your child!

As always, we would like to extend a big thank you to our kindergarten families for your ongoing support with our homework program. Please don't hesitate to contact us with any questions or comments.

Sincerely,

Kindergarten Team
