

Kindergarten Connection March 30th-April 1st

This Week's Homework

- Sound Book – Please complete the letter X (our last letter!)
- Reading Bags – There will be no reading bags this week due to the short week for students.
- Popcorn – There will be no Popcorn Words this week due to the short week for students.

Reminders

- Please remember, when sending in money for any reason (Hot Lunch, popcorn, fundraisers etc.) that we request the money be in a baggie and clearly labeled with the purpose and the child's name. When we check mailbags we are moving quickly and may not remember where we have taken it from.
- Popcorn money needs to be placed in the mailbags. We do not check school bags or lunch bags and the popcorn money is collected first thing in the morning.
- Please don't place the library books inside the homework reading bags. We don't check those bags, we just pass them along to the next child.
- Please ensure that homework reading bags are returned on Fridays. We understand that sometimes these things get forgotten (we certainly do our share of forgetting!) but it makes rotating the bags through the class very difficult when bags aren't returned on time.

Thank you so much for your attention to these matters! ☺
