

## This Week's Homework

- Sound Book – Please complete the letter H
- Popcorn Duo-tang – please practice new page and/or any incomplete pages
- Songbook – Please practice the song, "Scissor Chant"

Developing fine motor skills is an important part of kindergarten. This week you will find activities relating to fine motor development in your child's communication folder. Please feel free to do as few or as many as you like.

### Reminders

As the weather gets colder we are starting to see lots of hats and mittens. Please remember to label all of your child's outdoor gear. We have many children with the same or similar items and even if they are not prone to losing their things there can still be a lot of confusion about which hat belongs to which child ☺.
