

This Week's Homework

- Sounds Duo-tang – Please complete the printing on the back of the C/K page
- Popcorn Duo-tang – Please practice new page and/or pages that are incomplete (popcorn that is not “battered”)
- Songbook – Please practice the song “Five Black Crows”

The kindergarten classes have been working very hard on numbers! We have been counting forward (up to 10) and backward (from 10). This week's song helps support counting backward from five. We are also including some other activities that you can do to support your child in the area of numeracy. The directions and number cards can be kept at home. Enjoy!

Did you know?

In kindergarten it is a regular occurrence for a significant quantity of the lunch milk to go unfinished. Many children either don't want to drink that much milk or fill up on the milk and end up not eating their food. We wanted to share this information with you in case you are noticing that your child is bringing home a lot of their lunch food uneaten.

Important Dates

October 20

Kindergarten Field Trip to the Apple Orchard!

October 31

Kindergarten shared lunch. If you volunteered to provide food for this day, information will be sent home this week to confirm.
